## Open Doors on Doctoral Studies and Research

### November 12-13, 2025

The University of Ghardaia is pleased to announce the organization of the "Open Doors on Doctoral Studies and Scientific Research," on the occasion of the annual training Doctoriales 2025, to be held on November 12 and 13, 2025. The event will feature the participation of central officials and experts from the Directorate General for Scientific Research and Technological Development (DGRSDT), the Scientific and Technical Information Research Centre (CERIST), the University of Ghardaia, the University of El Oued, and the Higher School of Saharan Agriculture in El Oued (ESAS), among others. This year's scheduled topics are awareness-raising and training sessions, focusing on: national and international research projects and how to prepare them, the visibility of scientific publications, updates to the National Online Documentation System (SNDL), the digital identity of researchers, international mobility, etc. All doctoral students and research professors are cordially invited to attend.
